CAREER HIGHLIGHTS:

Bomstein v. McCarthy and Endo Laboratories (Trial) – Settled two weeks into trial; Coumadin administered in second trimester of pregnancy causing brain damage to fetus

Smetana v. Sacred Heart Hospital (Plaintiff's Verdict) – Lab error; failure to diagnose PKU with permanent mental retardation.

Selck v. Olson (Settlement) – OB mismanagement of labor; profound brain damage.

Goff v. Olson (Settlement) – OB mismanagement of labor; severe brain damage.

Willner v. Kochell (Trial; Plaintiff's Verdict) – Pre-term labor, triplets; one child was spastic quadriplegic.

Roherty v. Job (Trial; Plaintiff's Verdict) – Permanent brachial plexus injury following forceps delivery.

Sundby v. Waste Management (Settlement) – Case settled first day of trial; permanent neurological injuries from landfill (toxic tort).

Overboe v. Fryday (Trial; Plaintiff's Verdict of \$1.1 million) – TMJ damages from oral surgery.

Anderson v. Agleneri (Settlement) – Case settled first day of trial for \$1.75 million for inappropriate use of silver nitrate in a bladder with destruction of the bladder.

Bailey v. Schroeder (Settlement) – Failure to diagnose bilateral congenital hips.

Isley v. Hassler (Settlement) – Neurological brain injury from inappropriate forceps.

Matthews v. Smalley (Settlement) – Misdiagnosis of arterial problems; lost leg at knee.

Giese v. Wards (Trial; Plaintiff's Verdict) – Sustained on appeal establishing Wisconsin's 5/6 verdict rule; injury to child by back-over with riding lawnmower.

Eby v. Kozarek and Schultz v. Nienhuis (Wisconsin Supreme Court) – Established that mediation in medical negligence cases in Wisconsin is optional.

Ehlinger v. Sipes (Amicus Brief) – Increased risk of harm is sufficient to prove substantial factor causation in Wisconsin.

Larson v. Voss (Settlement) – Failure to use anticoagulants after mitral valve surgery and when atrial fibrillation followed, a stroke occurred.

Tullis v. Dale (Settlement) – Sexual relations between social worker/minister and patient.

Smith v. Skemp (Settlement) – Failure to biopsy breast lump with delay in diagnosis of breast cancer.

Thormodsgard v. Lorenz (Trial; Plaintiff's Verdict against Hospital) – Sexual assault of patient at Sacred Heart Hospital by another patient who had severe psychological delusions.

Erickson v. Gundersen (Settlement) – During heart surgery, bypass hoses were crossed which resulted in a 28-minute delay in oxygen perfusion to this 9-year-old's brain; largest malpractice settlement in Wisconsin.

Christensen v. Spooner (Settlement) – Three days into trial for neurological brain damage caused by inappropriate mid-forceps delivery.

Pike v. Foltz (Trial; Plaintiff's Verdict) – Delayed diagnosis of a fractured acetabulum and dislocated hip; largest verdict in Lincoln County, Wisconsin.

Daigle v. Fabiny (Settlement) – Delayed diagnosis of cervical cancer by gynecologist and pathologist.

Hasley v. Newark (Trial; Plaintiff's Verdict) – Reformation of insurance contract to provide coverage for fire which resulted in wrongful death claim.

Sheen v. Dekker (Trial; Plaintiff's Verdict) – Failure to diagnose a ruptured appendix which resulted in the wrongful death of a divorced father of one minor and two adult children.

Carbajal v. Infusino (Settlement) – Repeated sexual harassment of this waitress at a pizza restaurant by the owners.

Garstecki v. Secura (Trial; Plaintiff's Verdict) – Unbelted passenger in car leaving a tavern at 2:15 a.m. who had facial scars and a bruised hip.

Shields v. Newman (Arbitration; Plaintiff's Verdict) – Abuse of the therapeutic relationship in a borderline personality with inappropriate handling of transference and counter-transference by a psychiatrist.

Shuda v. West Bend Mutual (Mediation) – Largest plaintiff's recovery in Wisconsin for bilateral displaced meniscus in TMJ following a rear-end car accident.

Helz v. Clapper (Settlement) – Over-radiation treatment for endometrial cancer which resulted in rectal damage and a permanent colostomy.

Tanel v. American Family (Mediation) – Significant plaintiff's recovery for herniated disk following car accident.

Rozak v. Continental (Mediation) – Settlement of plaintiff's back injury claims resulting from her third accident with the largest settlement of all three accident claims.

Magnusson v. Packerland – Significant settlement award for psychiatric trauma following an auto accident. (2/96)

Wendt v. Farmers (Mediation) – A significant settlement following a car accident which included a claim for loss of a Division III college football career. (7/96)

Plautz v. State Farm – Significant settlement for facial scar following a car accident. (8/96)

Stoss v. Farmers – Significant arbitration award from underinsured policy for aggravation of spondylolisthesis following a minor rear-end collision with minimum property damage. (1/97)

Bielmeier v. Rural – Significant settlement following a rear-end car accident for low back injury with symptoms appearing one year post accident. (4/97)

Bahal v. Secura – Significant settlement for negligent oil change by Jiffy Lube which destroyed a 1981 Mercedes engine. The settlement was for substantially more than the value of the car. (4/97)

Narloch v. Badger Mutual (Mediation) – Significant settlement for a fractured leg following a slip-and-fall on ice at the plaintiff's apartment. The claim related to a defective downspout. (5/97)

D'Alessio v. American Family (Mediation) – Significant settlement for back injury to an insurance agent following a minor auto accident. (9/97)

Schneider v. Professionals (Trial; Plaintiff's Verdict \$2.8 million) – Injection of wrong contrast agent during a myelogram causing permanent brain damage affecting memory and concentration. (10/97)

Woda v. Anthem (Mediation) – Significant settlement for back injury to professional golfer following an auto accident. (10/97)

Whiting v. Otis Elevator (Trial; Plaintiff's Verdict \$120,000) – Plaintiff backed into elevator without looking when elevator floor was 6" to 11" below the hallway. Plaintiff claimed a back injury from the fall. First verdict in Wisconsin finding Otis Elevator liable for an elevator accident since 1982. (11/97)

Skovera v. Golf Ins. Co. – Substantial settlement for fractured hip following a fall in Sentry where skid blocked path to a cheese cooler. (12/97)

Abujodom v. Continental Western (Trial; Plaintiff's verdict \$190,000) – Plaintiff was in car/truck accident and within two months became manic as part of his bipolar condition. (2/98)

Never v. Wausau Ins. Co. (Mediation) – Significant settlement for ankle injury following a fall at a sidewalk construction site. (2/98)

Lamb v. Farmers Insurance – Substantial settlement for 7-year-old girl who suffered a dog bite to her hand after reaching into a partially opened car window to pet the dog. (4/98)

Meyer v. Ohio Casualty (Mediation) – Substantial settlement for aggravation of pre-existing back injury following a minor auto accident in which plaintiff was left turning driver. (5/98)

Rehm v. Professionals Ins. Co. – Substantial settlement for plaintiff who underwent hysterectomy and suffered an occlusion of her ureter by suture and resultant acute renal failure as she only had one working kidney. (5/98)

Centell v. Home Ins. (Mediation) – Substantial settlement for injury to C4-5 from minor auto accident following fusion of C5-6 with prior recommendation of C4-5 fusion. (6/98)

Mirecki v. Farmers Ins. (Mediation) – Substantial settlement for neck injury from minor auto accident with two prior and one subsequent accident, all causing neck problems. (7/98)

Estate of Stujenski v. Great Lakes Biochemical – Substantial settlement prior to trial for wrongful death of cleaning person caused by inadequate security allowing robber into premises who killed the plaintiff's father. (9/98)

Smith v. Secura (Mediation) – Substantial settlement for shoulder injury under an uninsured policy following a rear-end collision. (11/98)

Gerek v. Wisconsin Mutual – Substantial settlement just prior to trial for TMJ injury following a rear-end collision. (11/98)

Poppe v. American Family Ins. – Substantial mediation settlement for plaintiff following a complicated multiple vehicle collision with limited coverage and underinsured coverage issues for a back injury that was first complained of six months after the accident. (11/98)

Natterstad v. American Family Mutual Ins. Co. - Substantial settlement at mediation for bicyclist who turned into a car and suffered a significant head injury. (12/98)

Herides v. Strebel – After a trial court ruling of consolidation of four brachial plexus injury claims for trial, an advisory jury found the physician and hospital negligent on all four claims and awarded a total of \$8.4 million in damages. In February 1999 the cases settled in mediation with a present value of structured settlements at the amount of the advisory verdict. (2/99)

Seysel v. Zurich Ins. – A \$125,000 settlement before arbitration on an uninsured motorist claim for a low back injury even though a worker's compensation examiner found no permanent injury from this accident.

Stelmaszewski v. American Family Mutual Ins. Co. – Substantial settlement at mediation for a TMJ injury from an auto accident to a kindergarten teacher who had not yet had surgery for her TMJ problem. (9/99)

Egli v. American National Property and Casualty – Verdict of \$128,000 for soft tissue back injuries from an auto accident. (10/99)

Podgorski v. Ohio Hospital Insurance Co. – Substantial settlement for surgery on wrong testicle performed for testicular pain. (1/00)

Hodgkinson v. Federated Insurance – Substantial settlement at mediation for shoulder injury from auto accident. (2/00)

Schumacher v. American Family Insurance – Substantial settlement at mediation for soft tissue back injury from car accident with minimal award to the subrogated carrier. (4/00)

Nicholson v. Continental Western Insurance Company – Substantial settlement for a temporary aggravation of prior back surgery involving an accident in a parking lot. (7/00)

Laumer v. Allstate Insurance Company – Substantial settlement for temporary post traumatic stress disorder following an accident where plaintiff was checking under his hood when his vehicle was rear-ended. (7/00)

Westphal v. Home Insurance Company – Substantial worker's compensation settlement for TMJ injury which led to damages from Silastic and Vitek TMJ implants. (8/00)

Young v. Bollinger Fitness Products – Substantial settlement at mediation for an aggravation of a back when her exercise bike broke from substandard welds. (8/00)

Hoskins v. Rollerblade – Substantial settlement at mediation for a temporomandibular joint injury following a fall when a wheel came off new rollerblades used for the first time. (8/00)

Huber v. State Farm Insurance Companies – A \$92,000 settlement for a rotator cuff injury following an auto accident which affected plaintiff's golf game. (9/00)

Raymond v. Fireman's Fund Insurance Company – Substantial settlement for broken wrist following a slip and fall on water while entering a grocery store. (9/00)

Scardino v. State Farm Insurance Companies – Substantial settlement for six weeks of treatment for soft tissue injuries following an auto accident. (9/00)

Heger v. American Continental Insurance Company – structured settlement at mediation with guaranteed payments of \$1.8 million for a permanent brachial plexus injury following the inappropriate use of a vacuum extractor in a diabetic mother which led to severe shoulder dystocia. (10/00)

Fulco v. State Farm Mutual Automobile Ins. – substantial settlement for knee injury from auto accident with only several months of treatment. (12/00)

Movroydis v. Badger Mutual Ins. Co. -- substantial settlement for aggravation of a neck injury from an auto accident. (12/00)

Fritz v. Saks 5th Avenue – substantial settlement for injuries from a fall by an elderly patron at cosmetics area of Boston Store (1/01)

Laumer v. ESIS and Coach USA – settlement for one-day of treatment after a rear-end collision (1/01)

Edwards v. Kemper Insurance Company – substantial settlement for hockey referee after auto accident (1/01)

Hines v. Allstate – substantial settlement for a fractured finger occurring in an auto accident (3/01)

Strothmann v. Ramona Starr – substantial recovery by settlement from the estate for the wrongful death of a biological father for an adopted daughter who consented to an adult adoption by her stepfather before her biological father's death (4/01)

Zelinski v. Heritage Mutual Ins. Co. – substantial recovery for a theater actor who re-injured his back in a car accident (4/01)

Gunderson v. Avon – substantial settlement for arm burns from a defective candle holder (5/01)

West Side Baptist Church v. EMC Ins. Co. – property damage settlement from snow weight on the roof of a church (6/01)

Koehler v. Liberty Mutual – substantial settlement for minor scar to auto salesman bit on his nose by a dog through a car window (6/01)

Smith v. Victoria Ins. and Joel Furst – settlement of policy limits for three daughters for the wrongful death of both parents in an auto accident caused by intoxicated driver (7/01)

Donovan v. Farmers Ins. – substantial recovery for neck injuries in car accident which was two weeks after a previous neck injury. (7/01)

Sercl v. American Family – substantial settlement for knee injuries to a high school student who was hit by an automobile while walking across the street from school (8/01)

Braunreiter v. Go America – substantial settlement for Milwaukee Police Officer who suffered knee injuries in auto accident while on duty as an undercover agent and while in a stopped vehicle. (8/01)

Kutka v. Safeway – settlement of policy limits for nerve damage to an elbow caused in auto accident (8/01)
